Notes: Lilac Lilo is a direct daughter of Mel-Bar Miss Lilac "Ava" who was very succesful throughout her show career in 2009. Ava has gone on to raise many daughters that have been successful both in the showing and as breeding females. This dual registered female has been stamped with the "look" Ava daughters are known for. Don't miss out on this one.

Notes: Purebred maine-anjou that will work in a variety of situations. He is big and extended in his outline, sound on his feet and well balanced EPD profile. This Data Bank sired bull is backed by a consitent producing cow that has produced "Denver Pen Bulls" for us. I would expect this bull to sire growthy feeder cattle and fancy replacement heifers.

Notes: HBEC Crown Royal is a direct result of a flush from Miss Daisy 123x. Daisy was campaigned hard during her show career and collected wins in the open shows at Kansas City, Louisville, and Denver. Daisy has gone on to raise many competitive progeny. Crown Royal not only has a lower birthweight but comes with some added look expected with his pedigree.
