SDSU 80088

Brief Description: SDSU 8115 really should be staying on the farm but we always make sure to offer our best, and there isn't a better ewe out there. She is a proven ewe who is made right and produces better than herself. We kept back her first born ewe lamb this May. Because she was just that good. She was exposed to our newest ram from the University of Wisconsin; U of WI 16-114. This is an exciting pairing with high expectations.
