2021 Watertown Winter Farm Show

Date: September 10, 2020

The Watertown Area Chamber of Commerce Agriculture Committee is in the process of putting together the 2021 Watertown Winter Farm Show Catalog. Prior to the show, this catalog is mailed out to more than 2,000 farmers and ranchers in the three-state area.

In addition, this catalog is distributed in the Watertown Winter Farm Show trade area at livestock sale barns, agriculture centers, county extension offices, area agriculture meetings, banks and other farm shows in the state. Catalogs are also available during the Watertown Winter Farm Show.

Our surveys show that farmers and ranchers keep this book year-round and use it for breed information, addresses, phone numbers, etc. In all, around 4,000 catalogs are distributed each year.

We encourage you to take advantage of this great opportunity to advertise in this year's catalog. Please return the completed form, your catalog advertisement and payment to the Watertown Chamber by November 2, 2020. This year, we are requiring that businesses email a proofed, electronic copy of their advertisement in a **PDF format** to kelsey@watertownsd.com.
